ACTING CAPTAIN SYLVESTER MAJ

TORONTO (ON) FIRE SERVICES

Acting Captain Sylvester Maj died from a work-related illness on July 14, 2011. He joined the fire service in 1991.

Le Capitaine p. i. Sylvester Maj a succombé à une maladie professionnelle le 14 juillet 2011. Il s'est joint au service d'incendie en 1991.

Family Memories / Souvenirs de famille

Sylvester John Maj, "Sly" as he liked being called by his friends and colleagues began his "dream job" in April of 1991 when he joined the TFD. Shortly before his death, he moved up to Acting Captain and was ecstatic about it. Sly's jobs always required wearing a uniform: a Correctional Officer at Metro West Detention Centre where he worked with young offenders right before joining the fire department; an armoured guard for Loomis / Securicor (over 10 years part-time); a senior mining engineer for 11 years with a masters in explosives in his native Poland . Sly was a man of many interests. He loved reading books, doing Sudoku and sports such as sailing, karate and especially skydiving (having over 1,200 jumps and training Special Forces). He was my skydiving instructor and 2 years later, a husband for almost 26 years; a father to our 3 daughters: Paulina, Emily (Gem) and Margaret. He will be remembered forever.

Wife: Barbara

FIREFIGHTER DAVE HILL

CFB ESQUIMALT (BC) FIRE RESCUE

Firefighter Dave Hill died from a work-related illness on August 23, 2012. He joined the fire service in 1987.

Le pompier Dave Hill a succombé à une maladie professionnelle le 23 août 2012. Il s'est joint au service d'incendie en 1987.

Family Memories / Souvenirs de famille

Dave first started his firefighting career by joining the Langford Volunteer Fire Department in 1987. He was hired on with CFB Esquimalt Fire Rescue on September 1st 1988. Dave was very passionate and dedicated to his department which was very apparent as he was one of the fire department's master EMS instructors/trainers. Dave often took the new recruits in under his wing and mentored them. Dave was always the first to organize a donation drive to assist those affected by any type of disaster whether it was natural or manmade. It didn't matter if it was in his local community or on the other side of the world. Dave was always determined to help. Dave will be fondly remembered for his infectious smile, terrific sense of humor, love of practical jokes and his dedication to his beloved Terry Fox run. You could never miss Dave; whether it was at the fire hall or on the baseball field, his "booming umpire voice" was an indication that he was present. Dave had an extreme love for Christmas and his Christmas spirit was nothing short of contagious. Dave led his department to three consecutive first-place finishes in the local Christmas Fire Truck parade. Dave will be forever loved and missed by all who were blessed to have met him, especially his loving wife Jody, daughter Courtney and son David.

"Heroes get remembered, legends never die." Until we meet again, pleasant dreams and lots of 'em

CAPTAIN DAVID CARTMEL

BRANTFORD (ON) FIRE DEPT.

Captain David Cartmel died from a work-related illness on September 3, 2012. He joined the fire service in 1986.

Le Capitaine David Cartmel a succombé à une maladie professionnelle le 3 septembre 2012. Il s'est joint au service d'incendie en 1986.

Family Memories / Souvenirs de famille

From a young age, Dave dreamt about becoming a firefighter. His dream became reality in January 1986. As a result of his dedicated efforts, he was promoted to Captain on September 5, 2006. Dave was very proud to be part of the firefighter family and loved mentoring the junior members, sharing both his knowledge and passion unconditionally. Dave enjoyed his time away from the hall spending time with his wife Debbie and their two sons, Ben and Matt, who he was so very proud of. Amongst his friends and family, Dave was the "go to guy" when something needed fixing. Anyone who knew Dave knew he wasn't afraid of work. Dave Cartmel was a respected firefighter, a man's man, an outstanding husband and a dedicated father. Simply put he was the best of the best. Dave would be humbled and honoured to be recognized at this year's memorial ceremony.

FIREFIGHTER RANDY BURCH

TORONTO (ON) FIRE SERVICES

Firefighter Randall (Randy) Burch died from a work-related illness on November 12, 2012. He joined the fire service in 1986.

Le pompier Randall (Randy) Burch a succombé à une maladie professionnelle le 12 novembre 2012. Il s'est joint au service d'incendie en 1986.

Family Memories / Souvenirs de famille

Randy served Toronto Fire Services proudly and enthusiastically, beginning prior to amalgamation, with the Etobicoke Fire Department. His number 407 from those early days remains special to us. Randy was such a happy, positive and talented person. He gave 100% to everything he did, always. If anyone was in need of help, Randy would jump in with the right tools and an action plan! Randy thoroughly enjoyed life; he loved to fish and hunt, played multiple sports, was an avid supporter and coach of his daughter's soccer teams, and made time to share his immense building skills both at home and in cottage country with his dear friends and colleagues. He was also a perfectionist in the kitchen and everyone looked forward to his soups and Caesar salad, and if you were lucky, you would get his Christmas shortbreads! Randy inspired us all by finding ways to remain positive, giving and loving even as he endured the challenges of his illness. He appeared in the TFS Mask Up safety training video hoping to make a difference for others. He was a wonderful, caring husband to Edith for 29 years. Randy's spirit of generosity, enthusiasm for life and the confidence to rise to life's challenges lives on in his two beautiful daughters, Madeline and Julia of whom he was so very proud. Randy would be highly honored by the memorial ceremony. He is missed by his many friends, his parents Bob and Eleanor Burch, siblings Blair, Rob, Rick, Lynn and their families, and his entire in-law family with love and incredible appreciation for all he did for us during our privileged time with him. Randy, you "finished your life" as the straight shooter you always were; with bravery and dignity. We thank you for "keeping watch" over us always.

LIEUTENANT JOHN MAVITY

STRATFORD (ON) FIRE DEPT.

Lieutenant John Mavity died from a work related illness on January 30, 2013.
He joined the fire service in 1985.

Le Lieutenant John Mavity a succombé à une maladie professionnelle le 30 janvier
2013. Il s'est joint au service d'incendie en 1985.

Family Memories / Souvenirs de famille

John or "Mav" as he was known by everyone was a proud and passionate member of the Stratford Fire Dept. for over 27 years. John loved being a firefighter and easily took on the role of mentor to many of the young men starting out their careers. His lifelong love of hockey was only surpassed by his love and dedication to his family. John was a graduate of Bowling Green University where he received a full hockey scholarship and played for the Varsity Falcons hockey team. He was a humble man who could light up a room with his smile and sense of humour. John leaves behind his son Jake, his stepson Keegan, his loving wife, Laurie and her daughters and grand-daughters Shannon, Ellie(11), Ayden(6), Jill(Adam), Lainey(2), and Talia (1), whom he never got to meet. He was predeceased by his precious daughter, Ali, in 2002.

Missing him every day. xo

FIREFIGHTER MARTIN WALSH

KENNETCOOK DISTRICT (NS) FIRE DEPT.

Volunteer Firefighter Martin Walsh died responding to a fire on April 11, 2013.
He joined the fire service in 1976.

Le pompier volontaire Martin Walsh est mort alors qu'il répondait à une alerte
incendie le 11 avril 2013. Il s'est joint au service d'incendie en 1976.

Family Memories / Souvenirs de famille

Martin's volunteer career began with the Beaver Bank-Kinsac Volunteer Fire Department in 1976 where he moved up the ranks to become their Deputy Fire Chief. After transferring in 1986 to the Kennetcook & District Volunteer Fire Department, he proudly served in positions of Training Officer, Deputy Fire Chief, and most notably, 10 years as Fire Chief. He gave his time freely and never missed a call if he was in the area - no matter if company was at the dinner table, he was at church, or on the way to a social gathering. He loved what he was doing and was always one of the last to leave a fire scene. Over the years Martin also dedicated time to other community services like the Boy Scouts, Ground Search and Rescue, Lions International, and the Kennetcook United Church. He was a proud, caring, and compassionate person who would always stop and help those in need wherever he could (always thinking of others before himself). Martin is missed being seen daily in his orange coveralls as he was always doing some job in the village of Kennetcook. He was a quiet spoken man with a wonderful sense of humor – just ask the girls at the Kennetcook Freshmart. Martin leaves behind his loving wife of 42 years, Valerie; twin sister, Marna (Al); sister, Noreen (Kevin); very close friends, Vaughn & Marie Cantwell and their children Nicholas and Lindsey whom he loved as if they were his own; brothers-in-law Ross (Joy), David (Susan), Alan (Karen), and Brian (Jean). The day you left us a void was made that will never be filled quite the same. Martin was a dedicated firefighter to the end. We'll love and miss him always - Valerie and pets (Shep, Cindy and Heidi).

CAPTAIN JON ENANDER

LETHBRIDGE (AB) FIRE DEPT.

Captain Jon Enander died from a work related illness on April 28, 2013. He joined the fire service in 1979.

Le Capitaine Jon Enander a succombé à une maladie professionnelle le 28 avril 2013. Il s'est joint au service d'incendie en 1979.

Family Memories / Souvenirs de famille

Jon joined the Lethbridge Fire Department in September 1979. He moved up the ranks and became a captain in March 2009. Jon loved being a firefighter and really cared about his "guys". He had a wonderful work ethic. Jon never took a sick day in his first 30 years on the job. He did everything with excellence, in his personal life and at work. Jon was a loving husband, father, father-in-law, friend and co-worker, always looking out for others before himself. He was an encourager with a great sense of humor that he often used to diffuse tense situations with great success. This was reflected in his many lifelong friendships he had formed in and out of work. Jon loved to go camping in the mountains every chance he got. He was an avid Blue Jays fan and enjoyed driving his '66 Chevelle.

DEPUTY FIRE CHIEF ANTONIUS LIPPERS

CALEDON (ON) FIRE & EMERGENCY SERVICES

Deputy Fire Chief Antonius "Tony" Lippers died from a work related illness on May 22, 2013. He joined the fire service in 1985.

Le Chef adjoint de service d'incendie Antonius « Tony » Lippers a succombé à une maladie professionnelle le 22 mai 2013. Il s'est joint au service d'incendie en 1985.

Family Memories / Souvenirs de famille

Tony was a devoted and loving husband, father, dear friend and colleague. He was a true professional and a respected Fire Officer. Tony's 28 year career spanned service in Ajax, Little Britain, Orillia, Chatham-Kent and Caledon. Tony served as a Firefighter, Chief Fire Prevention Officer, Assistant Chief and Deputy Fire Chief. Wherever he worked and whatever he did, those who worked closest with Tony quickly discovered his attention to detail, his willingness to serve others, his dedication to his profession - his people - his friends and his family, whom he loved, and his love of life - which he enjoyed so much.

Tony's contributions to community safety included participating in working groups for Fire Code revision and amendment. Tony had a gift and natural ability for code interpretation. If you had a fire-prevention or fire-safety problem, Tony had a Fire Code solution. He had an infectious laugh; sometimes he'd laugh so hard at a joke he was about to tell you that you were already laughing. Tony always was the encourager; he would help anybody, anywhere, anytime. Tony did things right and he lived life well. Everyone who has worked with Tony has learned from him, both personally and professionally. In everything that Tony did, it was equally important for him to do the right thing, and to do things right. We rarely saw Tony having a bad day. He was always smiling and little got him down. He was always forward thinking with a positive attitude. Tony, you are greatly missed each and every day. God broke our hearts to prove to us that He only takes the best away! We love you Tony! You are in our hearts, souls and memories forever! Until we meet again. XO XO

FIRE WARDEN GEORGE JONES

BC WILDFIRE MANAGEMENT BRANCH

Fire Warden George Jones died at a fire on July 12, 2013. He joined the fire service in 1995.

Le garde-feu George Jones est décédé sur les lieux d'un incendie le 12 juillet 2013. Il s'est joint au service d'incendie en 1995.

Family Memories / Souvenirs de famille

George started his career in 1986 working for Ministry of Forests at the Port Alberni Forest District office, which is now the South Island Forest District. His duties included: field security for projects, forest fire fighting, Fire Warden Patrols, Camp Manager, Logistics support and prescribed burn projects in spring, summer and fall. George then went into the contracting business to deliver seedlings directly from the nursery to jobsites on Vancouver Island. In summer and fall George would change out the seedling container for his 1,200-gal tanker unit and support forest fire activity. In the fall he would help with prescribed burns. In the mid 1990's, the need for prescribed burns diminished and George switched to fire warden patrol duties and drove Tender #2 for the Mid Island Zone and Coastal Fire Centre. He would also drive the Coastal Fire Center's mobile command unit 'Big Red' to remote fires and manage logistics and camp functions when on scene. At times, George was kept busy keeping everyone in line. He was a highly reliable individual who could alleviate most Initial Attack water delivery issues for fires on Southern Vancouver Island. He also fostered a positive attitude and work ethic for young firefighters. Many young firefighters looked up to him and for those who got to know him well, he was always a relief to see at a fire. Whenever George showed up, you knew that the one thing that was taken care of was getting water to the fire. George died on Fire V70193. George will be sorely missed.

A row of firefighter helmets and a fire axe on a fire truck. The helmets are black with reflective stripes and are arranged in a line. A fire axe with a wooden handle and a metal head is leaning against the helmets. The background is a blurred fire truck.

*Today,

ABOUT THE FOUNDATION

The Canadian Fallen Firefighters Foundation is a registered, non-profit charitable organization dedicated to honouring Canada's fallen firefighters. The Foundation honours all types of firefighters whether volunteer/part-time, paid/full time, industrial, military, urban, rural, wildland, airport, or marine. The Foundation's directors, who volunteer their time, include members from all areas of the Canadian Fire Service as well as representatives from the business community.

The objectives of the Foundation are:

- *To operate the Canadian Firefighters Annual Memorial Ceremony and update the memorial wall.*
- *To provide financial subsidies to families of fallen firefighters for transportation to and lodging in Ottawa during the memorial weekend.*
- *To provide scholarships and bursaries for the children and spouses of firefighters whose line of duty death is recognized by the Foundation.*

Since 2004, the Foundation has operated the ceremony with the assistance of Fire Services and organizations from across Canada acting as honorary hosts in Ottawa who represent the Canadian Fire Service with pride. The cost of running a large scale ceremony is daunting and the Foundation would like to thank all of our past and current sponsors for supporting this event. The Foundation operates solely on fundraising from private donations, local fundraising events, and sponsorships from the business community.

The Education Endowment Fund provides scholarships and bursaries to the children and spouses of Canadian firefighters whose line of duty death has been recognized by the Foundation. Several bursaries and a scholarship will be awarded each year. The Foundation's ultimate goal is to provide education assistance to every child of a fallen firefighter. The current full Scholarship is named after former Treasurer Doug Lock who spearheaded the introduction of the program and passed away in 2012.

The Canadian Firefighters Memorial was completed in 2012 and dedicated by the Governor General of Canada on September 9, 2012. The new monument honours over 1100 Canadian firefighters who died in the line of duty serving their communities since 1848. While the Foundation has now reached all of its initial goals laid out in 2004, the work is not over. The Foundation will now begin to broaden its assistance to the families of fallen firefighters while continuing to honour them at the annual national ceremony.

AU SUJET DE LA FONDATION

La Fondation canadienne des pompiers morts en service est un organisme de bienfaisance enregistré, à but non lucratif, vouée à rendre hommage à tous les pompiers canadiens morts dans l'exercice de leurs fonctions, ceux-ci tant réguliers que volontaires, et en provenance de tous les milieux, y compris des secteurs industriel, militaire, urbain, rural, forestier, portuaire et aéroportuaire. Les directeurs de la Fondation, qui donnent de leur temps de façon bénévole, sont composés de membres en provenance de tous les secteurs du Service d'incendie canadien et de représentants des milieux d'affaires.

Depuis 2004, la Fondation a poursuivi la tenue à Ottawa de la cérémonie avec l'aide de services d'incendie et d'organisations de partout au Canada qui ont agi à titre d'hôtes honoraires et fièrement représenté le Service d'incendie canadien. Le coût pour la tenue d'une cérémonie de cette envergure en est un important; à cet égard, la Fondation désire remercier tous ses commanditaires, passés et présents, qui l'ont soutenue lors de ces événements. La Fondation opère uniquement à partir du financement en provenance de dons de particuliers, de diverses activités de financement locales et de commandites du milieu des affaires.

Le Fonds de dotation du programme d'éducation remet des bourses d'étude et de subsistance aux enfants et aux conjoints des pompiers canadiens dont le décès dans l'exercice de leurs fonctions a été reconnu par la Fondation. Plusieurs bourses de subsistance et une bourse d'études seront octroyées chaque année. L'objectif ultime de la Fondation est d'être en mesure d'offrir une aide à l'éducation à chaque enfant d'un pompier mort en devoir. La bourse d'études actuelle porte le nom de notre ancien trésorier, Doug Lock, qui a été l'artisan de la mise en place du programme et qui est décédé plus tôt en 2012.

La Fondation a les objectifs suivants :

- *Tenue de la Cérémonie annuelle à la mémoire des pompiers canadiens et mise à jour du Mur du souvenir.*
- *Soutien financier – transport et hébergement - aux familles des disparus lors de leur participation à Ottawa à la fin de semaine commémorative.*
- *Soutien financier, sous la forme de bourses d'études et de subsistance, aux enfants et aux conjoints des pompiers disparus dont le décès dans l'exercice de leurs fonctions a été reconnu par la Fondation.*

Le Monument aux pompiers canadiens (MPC) a été complété en 2012 et inauguré par le gouverneur général du Canada le 9 septembre 2012. Le nouveau monument rend hommage à plus de 1 100 pompiers canadiens qui, depuis 1848, sont morts en devoir au service de leur collectivité. Bien que la Fondation ait atteint tous ses objectifs qu'elle s'était donnés au départ en 2004, le travail n'est pas pour autant terminé. La Fondation entend dorénavant élargir son soutien aux familles des pompiers morts en service, et ce, tout en continuant à leur rendre hommage chaque année lors de la cérémonie nationale.

CANADIAN FIREFIGHTERS MEMORIAL/ MONUMENT AUX POMPIERS CANADIENS

The journey to build the national firefighters memorial began in 2003 and ended on September 9, 2012 with the dedication ceremony by his Excellency the Right Honourable David Johnston, the Governor General and Commander in Chief of Canada. The Foundation's goal was reached with the assistance of the Ministry of Canadian Heritage and the National Capital Commission who now maintain the site.

This location of the Canadian Firefighters Memorial (CFM) is significant in the fire history of our nation's capital as it is the area where the Ottawa-Hull conflagration of 1900 crossed over from Hull on the morning of April 26, 1900 after destroying 1300 buildings. On the Ottawa side of the river the fire razed 1400 buildings and killed seven. At the end of the day the fire was stopped from spreading downtown near the exact spot where the monument is located. The site is also close to where Captain John Lowry of the Ottawa Fire Department was killed in the line of duty on August 12, 1896 on Booth Street.

The design "We Were There" by the team of artist Douglas Coupland and landscape architect Mary Tremain of PLANT Architects includes a large bronze statue of a firefighter who has returned to earth from heaven via a sixty-foot high fire pole to point out the names of his fallen comrades on a memorial wall. The memorial wall, in the abstract shape of Canada, contains the names of all fallen firefighters randomly in cloud like formations roughly over the area of Canada near where they died. Firefighters who died together are listed beside each other. A lone pine tree, planted in a significant

spot in the memorial site, represents the lone Canadian and the Canadian forests protected from fire by the bronze firefighter and the large fire pole which also acts as a lightning rod. The Foundation's motto, "Never to be Forgotten", is engraved on the pine tree rock. The site contains unique materials which symbolize Canada. Plantings, which turn red in the fall, represent the retardant dropped by air crews who fight devastating forest fires in Canada. Canadian Wildland fire service organizations and its supporters raised the funds for the Lone Pine and its maintenance.

Another unique aspect of the CFM includes the use of old brass hose couplings in the production of some of the bronze elements. Fire departments from across Canada each sent one hose coupling; a piece of their history, to the foundry to be used as part of the Memorial. Parts of the finished bronze elements of the memorial actually have a piece of many departments from across Canada, making it truly national.

Mobile access to the Internet at the site will enable visitors to quickly locate names on the 105 foot wall. The national LODD database kept on the CFFF website includes the location marker for every name engraved on the monument.

The Canadian Firefighters Memorial is open 365 days a year. It captures the significance of the sacrifices made by the Canadian Fire Service in a uniquely Canadian setting where we can remember those in the fire service who have given their lives for communities across Canada.

L'avenue pour ériger le monument national à la mémoire des pompiers a débuté en 2003 et s'est terminé le 9 septembre 2012, avec la cérémonie d'inauguration du mémorial présidée par Son Excellence le très honorable David Johnston, gouverneur général et commandant en chef du Canada. L'objectif de la Fondation a été atteint grâce à l'aide du ministère de Patrimoine Canada et de la Commission de la capitale nationale qui verra dorénavant à maintenir le site.

Le site où se trouve le Monument aux pompiers canadiens (MPC) revêt un caractère important pour l'histoire des incendies de la capitale nationale. En effet, c'est là même, le matin du 26 avril 1900, que l'incendie d'Ottawa-Hull a traversé la rivière à partir de Hull après y avoir détruit 1 300 bâtiments. Du côté d'Ottawa, la conflagration avait rasé 1 400 immeubles et entraîné la mort de sept personnes. En fin de journée, le feu avait été maîtrisé au centre ville, tout près du site où le monument se dresse aujourd'hui. Le site

se trouve aussi à proximité de l'endroit où le capitaine John Lowry, du Service des incendies d'Ottawa, est mort en service le 12 août 1896 sur la rue Booth.

Le concept « Nous étions là », issue de l'équipe composée de l'artiste Douglas Coupland et de l'architecte paysagiste Mary Tremain, comprend une grande statue en bronze d'un pompier descendu du ciel par un mât de descente de soixante pieds, et atterri là pour indiquer du doigt les noms de ses camarades disparus s'échelonnant sur le Mur du souvenir. Empruntant la forme abstraite du Canada, le mur accueille les noms des sacrifiés dans des formations nébuleuses surplombant la région ou province aux environs de laquelle ils ont péri. Les pompiers qui sont morts ensemble y sont inscrits un à côté de l'autre. Un pin solitaire, poussant à un endroit significatif du site mémorial, représente le Canadien solitaire et la forêt canadienne que le pompier en bronze protège de la conflagration. On constate que le mât de descente agit aussi en guise de paratonnerre. La devise de la Fondation, « Gravé dans nos mémoires », est inscrite sur la pierre à laquelle s'accroche le pin. Le site contient des matériaux uniques qui représentent le Canada. Les plantations, qui tournent rouge à l'automne, représentent le retardateur largué par les équipages d'avions-citernes qui tentent d'éteindre les incendies ravageant les forêts de l'Ouest du Canada. Il est à noter que ce sont des organisations de lutte contre les feux de forêt et

leurs supporters qui ont amassé les fonds nécessaires pour le projet du « Pin solitaire » et de sa maintenance.

Un détail tout à fait unique du MPC consiste dans le fait que quelques-uns des éléments de bronze du monument ont été produits à partir de vieux raccords de boyaux en laiton. En effet, des services d'incendie de partout au Canada ont été invités à soumettre à la fonderie un raccord de boyau en laiton, soit un morceau de leur histoire, pour être utilisé dans la construction du mémorial. Cela dit, les éléments de bronze du monument commémoratif comportent une parcelle de plusieurs services d'incendie de partout au Canada, ce qui le caractérise comme étant un monument vraiment national.

L'accès Internet à partir d'appareils mobiles permettra aux visiteurs sur le site de rapidement localiser les noms sur le mur de 105 pieds (32 mètres). La base de données nationale des décès en service, accessible sur le site Web de la Fondation, inclut le marqueur d'emplacement de chaque nom gravé sur le monument.

Le Monument aux pompiers canadiens est ouvert 365 jours par année. Il exprime la portée des sacrifices consentis par ceux et celles qui font partie du Service d'incendie canadien, et ce, dans un contexte typiquement canadien où l'on peut se recueillir et se rappeler ceux et celles du service d'incendie qui, partout à travers le Canada, auront fait le sacrifice ultime en venant en aide à leur collectivité respective.

HONOUR – REMEMBER – SUPPORT

Over 1100 Canadian Firefighters have died in the line of duty since the first recorded casualty in 1848. The Canadian Fallen Firefighters Foundation exists to be sure they and those who come after them are never forgotten. The Foundation manages this Canadian Firefighters Annual Memorial Ceremony and has created an endowment fund to support scholarships and bursaries for the children and spouses of those firefighters.

To find out more, please visit www.cfff.ca

Please make a donation today so they will... never be forgotten!

HONNEUR – SOUVENIR – SOUTIEN

Depuis le tout premier décès enregistré en 1848, 1 100 pompiers canadiens sont morts dans l'exercice de leurs fonctions. La raison d'être de la Fondation canadienne des pompiers morts en service est de faire en sorte que tous ces pompiers - et ceux et celles qui suivront - ne soient jamais oubliés. La Fondation, qui voit à l'organisation et à la gestion de cette Cérémonie annuelle à la mémoire des pompiers canadiens, a par ailleurs mis sur pied un fonds de dotation visant à venir en aide, sous la forme de bourses d'études et d'entretien, aux enfants de ces pompiers.

Pour en savoir davantage, veuillez visiter www.fcpms.ca

Veuillez SVP effectuer un don dès aujourd'hui pour faire en sorte qu'ils ne soient jamais oubliés!
