# FINANCIAL STATEMENTS

For

CANADIAN FALLEN FIREFIGHTERS FOUNDATION For year ended DECEMBER 31, 2021

#### INDEPENDENT AUDITOR'S REPORT

# Welch LLP®

#### To the Members of

## CANADIAN FALLEN FIREFIGHTERS FOUNDATION

#### Qualified Opinion

We have audited the financial statements of Canadian Fallen Firefighters Foundation (the Foundation), which comprise the statement of financial position as at December 31, 2021, and the statement of operations and changes in net assets and the statement of cash flows for the year then ended, and a summary of significant accounting policies and explanatory information.

In our opinion, except for the possible effects of the matters described in the Basis for Qualified Opinion paragraphs, the financial statements present fairly, in all material respects, the financial position of Canadian Fallen Firefighters Foundation as at December 31, 2021 and the results of its operations, the changes in its net assets and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

#### Basis for Qualified Opinion

In common with many not-for-profit organizations, the Foundation derives revenue from charitable donations, the completeness of which is not susceptible of satisfactory audit verification. Accordingly, our verification of these revenues was limited to the amounts recorded in the records of the Foundation and we were not able to determine whether any adjustments might be necessary to donation revenue, net revenues and cash flows for the years ended December 31, 2021 and 2020, current assets as at December 31, 2021 and 2020 and net assets as at January 1, 2020 and 2021 and December 31, 2020 and 2021.

The Foundation's inventory is also held in different locations across the country and due to logistical constraints we were unable to observe the counting of physical inventories recorded in the financial statements at December 31, 2021. We were unable to satisfy ourselves concerning the inventory quantities, which are stated in the statement of financial position at \$19,827, by alternate means. Consequently, we were unable to determine whether any adjustments might have been necessary in respect of recorded inventories as at December 31, 2021 and of the related impact on the Foundation's statement of operations, statement of changes in net assets and its statement of cash flows from operations for the year ended December 31, 2021. Our audit opinion on the financial statements for the year ended December 31, 2020 was modified accordingly because of these possible effects of this limitation in scope.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Foundation in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

#### Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Foundation's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Foundation or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Foundation's financial reporting process.

## Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud
  or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that
  is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material
  misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve
  collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Foundation's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Foundation's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Foundation to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

# CANADIAN FALLEN FIREFIGHTERS FOUNDATION NOTES TO THE FINANCIAL STATEMENTS YEAR ENDED DECEMBER 31, 2021

#### 1. NATURE OF OPERATIONS

The Canadian Fallen Firefighters Foundation ("Foundation") is incorporated under the provisions of *The Canada Corporations Act*, has continued under the Canada Not-for-profit Corporations Act and is a registered charity. The Foundation's principal purpose is to plan, direct and manage an annual Fallen Firefighters Memorial Service; to provide financial assistance to families of fallen firefighters for transportation and lodging during the annual memorial service; to provide support to families through education bursaries and scholarships and other avenues of financial assistance (funeral expenses and Camp F.A.C.E.S.); and to otherwise recognize firefighters who die in the line of duty.

The Foundation maintains its head office in Ottawa, Ontario.

#### 2. SIGNIFICANT ACCOUNTING POLICIES

#### Basis of accounting

These financial statements have been prepared in accordance with Canadian accounting standards for not-for-profit organizations.

#### Use of estimates

The preparation of financial statements in conformity with Canadian accounting standards for not-for-profit organizations requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, revenue and expenses and disclosure of contingent assets and liabilities. These estimates are reviewed annually and as adjustments become necessary, they are recognized in the financial statements in the period they become known.

Management makes accounting estimates in the determination of potentially uncollectible accounts receivable, when determining the valuation of inventory, when estimating the useful life of equipment and in the estimation of significant accrued liabilities.

#### Revenue recognition

Revenue from iMedia advertising contracts is recognized over the term of the contract. Revenue from donations and sponsorships is recognized upon receipt and revenue from investments is recognized as earned. Investment income is recognized as revenue in the period that it is earned. The Foundation follows the deferral method of accounting for contributions. Restricted contributions are recognized as revenue in the year in which related expenses are incurred. Unrestricted contributions are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collectability is reasonably assured.

Revenue from souvenir sales are recognized once the goods are sold.

#### Financial instruments

Cash and guaranteed investment certificates are measured at fair value at the financial statement date.

All other financial instruments are measured at cost or amortized cost at the financial statement date.

#### Inventories

Inventory of souvenirs and merchandise are valued at lower of cost and net realizable value with cost determined substantially on a first-in, first-out basis.

#### Tangible capital assets

Tangible capital assets is stated at acquisition cost. Amortization is provided at the following methods and annual rates:

Equipment

- 20% declining balance

# CANADIAN FALLEN FIREFIGHTERS FOUNDATION NOTES TO THE FINANCIAL STATEMENTS - Cont'd. YEAR ENDED DECEMBER 31, 2021

#### 3. **FINANCIAL INSTRUMENTS**

The Foundation is exposed to various risks through its financial instruments. The following analysis provides a measure of the Foundation's risk exposure and concentrations at December 31, 2021.

The Foundation does not use derivative financial instruments to manage its risk.

#### Credit risk

The Foundation is exposed to credit risk resulting from the possibility that parties may default on their financial obligations. The Foundation's maximum exposure to credit risk represents the sum of the carrying value of its cash, guaranteed investment certificates and its accounts receivable. The Foundation's cash and guaranteed investment certificates are held with a registered Canadian credit union and as a result management believes the risk of loss on this item to be remote. The Foundation manages its credit risk of its accounts receivable by reviewing accounts receivable aging monthly and following up on outstanding amounts. The Foundation believes that all accounts receivable at year end will be collected.

#### Liquidity risk

Liquidity risk is the risk that the Foundation cannot meet a demand for cash or meet its financial obligations when they become due. The Foundation manages it liquidity requirements by preparing and monitoring forecasts of cash flow from operations, anticipating investing and financing activities, and holding assets that can readily be converted into cash.

#### Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk is comprised of currency risk, interest rate risk and other price risk.

i) Currency risk

Currency risk is the risk that the fair value of financial instruments or future cash flows associated with the instruments will fluctuate relative to the Canadian dollar due to changes in foreign exchange rates.

The Foundation's financial instruments are denominated in Canadian dollars and it transacts primarily in Canadian dollars. As a result, the Foundation does not believe it is exposed to significant currency risk.

ii) Interest rate risk

Interest rate risk refers to the risk that the fair value of financial instruments or future cash flows associated with the instruments will fluctuate due to changes in market interest rates.

The Foundation manages its interest rate risk exposure through its investments in guaranteed investment certificates which provides fixed rates of interest. As such, the Foundation's exposure to interest rate risk is minimal.

iii) Other price risk

Other price risk refers to the risk that the fair value of financial instruments or future cash flows associated with the instruments will fluctuate because of changes in market prices (other than those arising from currency risk or interest rate risk), whether those changes are caused by factors specific to the individual instrument or its issuer or factors affecting all similar instruments traded in the market.

The Foundation is not exposed to other price risk.

#### Changes in risk

There have been no significant changes in the Foundation's risk exposures from the prior year.

## 7. VOLUNTEER HOURS

The work of the Foundation is dependent upon the voluntary services of its directors, management and members. These services are not normally purchased by the Foundation and because of the difficulty of determining their fair value, the value of these donated services are not recognized in the financial statements.

An Independent Member of BKR International

|                                       | <u>\$</u>                      | 2,454                 |           |              | <u>\$</u>   | 3,067                    |           |              |  |  |

#### 9. COMMITMENTS

The Foundation rents a storage locker on a month to month basis; the rental rate is reviewed periodically, and effective July 1, 2021 is \$190 per month. The Foundation also rents virtual office space in a lease agreement ending July 31, 2022 for \$200 per month.

#### 10. ECONOMIC UNCERTAINTY FROM COVID-19

In Mid-March of 2020, the province of Ontario first declared a state of emergency in response to the public health concerns originating from the spread of the COVID-19 disease.

A high degree of uncertainty still persists surrounding the full economic impact of the situation. The unpredictable nature of the spread of the disease makes it difficult to determine the length of time that the Foundation's operations will be impacted. Consequently, at the time of issuance of these financial statements, the effect that this will have on the Foundation's operations, assets, net assets, liabilities, revenues and expenses is not yet known.
